DESCRIPTORS *Administrative Personnel; Administrator Role; *Bibliographies; College Environment; *Educational Administration; Educational History; Educational Objectives; *Higher Education; *Literature Reviews; Management; Post Secondary Education; Trainees

ABSTRACT

A bibliography of approximately 400 items relevant to academic administrators is presented. Most were published after 1968. The topics covered include: the sociology of organizations, management, management in the profit-making sector, academic organization and administration, history of higher education and comparative higher education, goals and purposes, higher education's environment, impact of postsecondary education, and special reports. (LBH)

**********
* Documents acquired by ERIC include many informal unpublished *
* materials not available from other sources. ERIC makes every effort *
* to obtain the best copy available. Nevertheless, items of marginal *
* reproducibility are often encountered and this affects the quality *
* of the microfiche and hardcopy reproductions ERIC makes available *
* via the ERIC Document Reproduction Service (EDRS). EDRS is not *
* responsible for the quality of the original document. Reproductions *
* supplied by EDRS are the best that can be made from the original. *
